

Our Learning

This week the children in Year R have enjoyed lots of new areas in their provision. This has supported the children's learning and helped to challenge new ways of thinking. This week the children have particularly enjoyed exploring the outdoor area and planting seeds to grow. They worked collaboratively to plant and water the seeds and are now very excited to see what grows.

Thank you again for all of your support in helping us develop our outdoor area!

Our Assembly Theme This Week

This week in assembly we have begun looking at our School Values. We shared the story 'Brave Little Bear' together and the children identified which of the values they could recognise in the book. These included courage, determination and pride. We focused on the value 'Courage' and discussed what this meant:

- Being brave
- Giving support, confidence or hope to others
- Having the strength to carry on despite something being difficult

We thought about how the main character in the story, Arlo, stepped outside of his comfort zone which led him to exploring lots of new opportunities and adventures. The children talked about the benefits of stepping outside our comfort zones and showing courage. This could be within school or outside of school - please do share any examples of children who have shown courage.

Open Conversations at Home

At The National College, our WakeUpWednesday guides empower and equip parents, carers and educators with the confidence and practical skills to be able to have informed and age-appropriate conversations with children about online safety, mental health and wellbeing, and climate change. Formerly delivered by National Online Safety, these guides now address wider topics and themes. For further guides, hints and tips, please visit nationalcollege.com.

What Parents & Educators Can Learn from the OFCOM MEDIA REPORT 2024

Each year, Ofcom - the UK's regulatory body for communications - produces an overview of children and parents' media experiences over the course of the previous year. At the time of writing, the latest of these reports, 'Children and parents: media use and attitudes 2024' has just been published, and we've plucked out some of its most thought-provoking findings regarding online safety.
